Nothing herein shall be construed to prevent Declarant, its successors and/or assigns, from erecting, placing, or maintaining sign structures and offices as may be deemed necessary by it for the operation of the subdivision, including the sale of any lot therein.

(i) Notwithstanding the foregoing, a builder or financier may place a sign upon a Unit identifying itself as the builder or financier, as the case may be, during the construction period of an improvement upon the Unit, provided however, that all said signs shall be removed within ninety (90) days after occupancy of the Unit.

(ii) A For Sale sign may be placed upon a Unit for a period of up to one hundred eighty (180) days from the date of the placement of said sign upon said Unit. A For Sale sign shall thereafter not be placed upon the same Unit until sixty (60) days have elapsed from the removal of the prior For Sale sign.

(v) YARD ART. No outdoor sculpture or other non-vegetative decor shall be permitted except that of a temporary or seasonal nature which may be placed upon a Unit for a period of no longer than thirty (30) days. No replacement or substitute yard art shall be placed upon the property unless one hundred twenty (120) days has elapsed from the removal of the preceding temporary or seasonal yard art.

(w) SATELLITE DISHES. Satellite dish receivers up to 18" in diameter are allowed, but must be located upon and attached to the back or sides of the dwelling unit

(x) CENTRAL WATER AND SEWER. All residences or other improvements on the lot shall be connected to the central water and sewer systems serving the subdivision, and no residence or other improvement shall be occupied until such time as it is connected to the central water and sewer system. No private water well or septic system shall be permitted on any lot.

(y) VARIANCES/WAIVERS. The Review Committee shall have the right to waive and/or grant variances, both temporary and permanent, from the covenants, conditions and restrictions set forth herein. However, the waiver or granting of any variance from these covenants, conditions and restrictions as to any lot SHALL NOT affect their applicability to any other lot.

Section 10.2 Restrictions on Alienation. A Unit may not be conveyed pursuant to a timesharing plan.

A Unit may not be leased or rented for a term of less than thirty (30) days. All leases and rental agreements shall be in writing and subject to the requirements of the Documents and the Association.

All leases of a Unit shall be deemed to include a provision that the tenant will recognize and attorn to the Association as landlord, solely for the purpose of having the power to enforce a violation of the provisions of the Documents against the tenant, provided the Association gives the landlord notice of its intent to so enforce, and a reasonable opportunity to cure the violation directly, prior to the commencement of an enforcement action.

Section 10.3 Declarant's Rights. Notwithstanding the foregoing, as long as the Declarant is a Unit Owner, the Declarant and its duly authorized agents, representatives and employees may maintain any Unit owned by the Declarant or any portion of the Common Elements as a model unit or sales office. The Declarant may also maintain management offices and signs and displays advertising the Common Interest Community.

ARTICLE XI

Easements, Rights-of-Way and Licenses

Section 11.1 General Provisions. The easements, rights-of-way or licenses to which the Common Interest Community is presently subject are those recited in Schedule A-1, Article X, Sections 8.6, 8.7, 11.2, 11.3, 11.4, 11.5, and 11.6 of this Declaration and those shown on the Final Plats of North Hills Subdivision at Cress Creek, recorded in the Office of the Clerk of the County Commission of Jefferson County, West Virginia, as follows:

Section 11.2 Easement for Access. Declarant reserves unto itself, its successors and/or assigns and invitees a perpetual and non-exclusive easement or right-of-way for ingress, egress and access of all kinds over and across all of the Common Elements and Limited Common Elements of the Common Interest Community to and from all points within the Common interest Community for all purposes.

Section 11.3 Utility Easements. Declarant reserves unto itself, its successors and/or assigns, a perpetual and non-exclusive easement or right-of-way over, through and under the Common Elements within the Common Interest Community for the purpose of constructing, installing, operating and maintaining utility lines, pipes, wires, ducts, conduits, and other facilities for the purpose of furnishing utility and related services and extensions thereof within the Common Interest Community. The Declarant further reserves unto itself, its successors and/or assigns, all those utility easements shown on the aforesaid plat for the purpose of constructing, installing, operating, and maintaining utility lines, pipes, wires, ducts, conduits, and other facilities for the purpose of furnishing utility and related services within the Common Interest Community. If the Declarant grants any such reserved easement or right-of-way to a utility company or other third party, Schedule A-1 will be amended to include any such easement or right-of-way, specifying the recording data for each. The term "utilities" as used in this paragraph includes, but is not limited to, gas, electric, telephone, water, sewer and cable television.

Section 11.4 Recreational and Golf Easement. Declarant reserves unto itself, its guests, invitees, successors and/or assigns, easements to permit the doing of every act necessary and proper to the playing of golf on the golf course adjacent to the Common Interest Community, which said easements are hereby expressly granted, reserved and established. These easements shall include, but is not limited to, the recovery of golf balls from Units, the flight of golf balls over and upon such Units, the use of necessary and usual equipment upon such golf course, the usual and common noise level created by the playing of the game of golf, together with all the other common and usual activity associated with the game of golf and with all normal and usual activities associated with the operation of a country club.

Section 11.5 Reserved.

Section 11.6 Storm Drainage Easements. The Declarant reserves unto itself, its successors and/or assigns, those storm drainage easements shown on the aforesaid Final Plat of North Hills Subdivision at Cress Creek, for the purpose of maintaining proper storm water drainage within the Common Interest Community. The Declarant, or its assigns, shall have the right to enter upon a unit for the purpose of inspecting storm drainage easements and doing such things as are necessary to maintain proper storm water drainage within the Common Interest Community. The Declarant may assign the rights reserved to it under this Section to the Association. No Unit Owner shall interfere with storm water drainage patterns within any such easement, except that, with the prior approval of the Association, a Unit Owner may make alterations to the drainage patterns within the easement if such alterations do not affect any other Unit. Any alterations to a storm drainage easement may require the approval of the Jefferson County Department of Planning, Zoning and Engineering

ARTICLE XII

Allocation and Reallocation of Limited Common Elements

Section 12.1 Common Elements are allocated equally among all Units. A Common Element not previously allocated as a Limited Common Element may be so allocated only pursuant to the provisions of this Article XII. All allocations will be made by amendments to the Declaration specifying to which Unit or Units the Limited Common Element is located.

All amendments shall specify to which Unit or Units the Limited Common Element is allocated.

Such amendment shall require the approval of all holders of Security Interests in the affected Units, which approval shall be endorsed thereon. The person executing the amendment shall provide an executed copy thereof to the Association which, if the amendment complies with the provisions of this Declaration and the Act, shall record it. The amendment shall contain words of conveyance and must be recorded and indexed in the names of the parties and the Common Interest Community.

The parties executing the amendment shall be responsible for the preparation of the amendment and shall reimburse the Association for its reasonable attorneys' fees in connection with the review of the amendment and for the recording costs.

ARTICLE XIII

Relocation of Boundaries Between Adjoining Units

Section 13.1 Application and Amendment. Subject to other provisions of law, including land use and health regulations, the boundaries between adjoining Units may be relocated by an amendment to the Declaration upon application to the Association by the owners of the Units affected by the relocation. If the owners of the adjoining Units have specified a reallocation between their Units of their Allocated Interests, the application shall state the proposed reallocations. Unless the Executive Board determines, within thirty (30) days after receipt of the application, that the reallocations are unreasonable, the Association shall consent to the reallocation and prepare an amendment that identifies the Units involved, states the reallocations and indicates the Association's consent. The amendment must be executed by those Unit Owners affected and contain words of conveyance between them, and the approval of all holders of Security Interests in the affected Units shall be endorsed thereon. On recordation, the amendment shall be indexed in the name of the grantor and the grantee, and in the grantee's index in the name of the Association.

Section 13.2 Recording Amendments. The Association shall prepare and record Plats or Plans necessary to show the altered boundaries between adjoining Units and the Units' dimensions and identifying numbers.

The applicants will pay for the costs of preparation of the amendment and its recording, and the reasonable consultant fees of the Association if the Executive Board deems it necessary to employ a consultant.

ARTICLE XIV

Amendments to Declaration

Section 14.1 General. Except in cases of amendments that may be executed by the Declarant in the exercise of its Development Rights or by the Association under Article XII of this Declaration and §1-107 of the Act, or by certain Unit Owners under Article XII and Section 13.1 of this Declaration and §2-118 of the Act, and except as limited by Section 14.4 and Article XVI of this Declaration, this Declaration, including the Plat and Plans, may be amended only by vote or agreement of Unit Owners of

Units to which at least sixty-seven percent (67%) of the votes in the Association are allocated. The procedure for amendment must follow the procedures of §2-117 of the Act.

Section 14.2 Limitation of Challenges. An action to challenge the validity of an amendment adopted by the Association pursuant to this Article may not be brought more than one (1) year after the amendment is recorded.

Section 14.3 Recordation of Amendments. Each amendment to the Declaration must be recorded in each recording district in which a portion of the Common Interest Community is located and the amendment is effective only upon recording. An amendment, except an amendment pursuant to Article XIII of this Declaration, must be indexed in the grantee's index in the name of the Common Interest Community and the Association and in the grantor's index in the name of the parties executing the amendment.

Section 14.4 When Unanimous Consent Required. Except to the extent expressly permitted or required by other provisions of the Act, an amendment may not create or increase Special Declarant Rights, increase the number of Units, change the boundaries of a Unit, the Allocated Interests of a Unit, or the uses to which a Unit is restricted, in the absence of unanimous consent of the Unit Owners.

Section 14.5 Execution of Amendments. An amendment to the Declaration required by the Act to be recorded by the Association, which has been adopted in accordance with this Declaration and the Act, must be prepared, executed, recorded and certified on behalf of the Association by an officer of the Association designated for that purpose or, in the absence of designation, by the president of the Association.

Section 14.6 Special Declarant Rights. Provisions in this Declaration creating Special Declarant Rights may not be amended without the consent of the Declarant.

Section 14.7 Consent of Holders of Security Interests. Amendments are subject to the consent requirements of Article XVI.

Section 14.8 Amendments to Create Units. To exercise any Development Right reserved under Section 8.1 of this Declarations, the Declarant shall prepare, execute and record an amendment to the Declaration. The Declarant shall also record either new Plats and Plans necessary to conform to the requirements of Subsections (a), (b) and (d) of §2-109 of the Act or new certifications of Schedule A- 1 previously recorded if the Schedule otherwise conforms to the requirements of those Subsections.

The amendment to the Declaration shall assign an identifying number to each new Unit created and reallocate the Allocated Interests among all Units. The amendment shall describe any Common Elements and any Limited Common Elements created thereby and designate the Unit to which each Limited Common Element is allocated to the extent required by Subsection 2-108(a) of the Act.

ARTICLE XV

Termination

Section 15.1 Termination of the Common Interest Community may be accomplished only in accordance with §2-118 of the Act.

ARTICLE XVI

Mortgagee Protection

Section 16.1 **Introduction.** This Article establishes certain standards and covenants which are for the benefit of the holders, insurers and guarantors of certain Security Interests. This Article is supplemental to, and not in substitution for, any other provisions of the Documents, but in the case of conflict, this Article shall control.

Section 16.2 **Percentage of Eligible Mortgagees.** Wherever in this Declaration the approval or consent of a specified percentage of Eligible Mortgagees is required, it shall mean the approval or consent of Eligible Mortgagees holding Security Interests in Units which in the aggregate have allocated to them such specified percentage of votes in the Association when compared to the total allocated to all Units then subject to Security Interests held by Eligible Mortgagees.

Section 16.3 **Notice of Actions.** The Association shall give prompt written notice to each Eligible Mortgagee and Eligible Insurer of:

(a) Any condemnation loss or any casualty loss which affects a material portion of the Common Interest Community or any Unit in which there is a first Security Interest held, insured, or guaranteed by such Eligible Mortgagee or Eligible Insurer, as applicable;

(b) Any delinquency in the payment of Common Expense assessments or fines owed by a Unit Owner whose Unit is subject to a first Security Interest held, insured, or guaranteed, by such Eligible Mortgagee or Eligible Insurer, as applicable, which remains uncured for a period of sixty (60) days;

(c) Any lapse, cancellation, or material modification of any insurance policy or fidelity bond maintained by the Association;

(d) Any proposed action which would require the consent of a specified percentage of Eligible Mortgagees as specified in Section 16.4 of the Declaration;

(e) Any violation of the Restrictions on Use, Alienation of Occupancy set forth in Article X by a Unit Owner whose Unit is subject to a first Security Interest held, insured, or guaranteed by such Eligible Mortgagee or Eligible Insurer;

(f) Any judgment rendered against the Association.

Section 16.4 Consent Required.

(a) Document Changes. Notwithstanding any lower requirement permitted by this Declaration or the Act, no amendment of any material provision of the Documents by the Association or Unit Owners described in this Subsection 16.4 (a) may be effective without the vote of at least sixty-seven percent (67%) of the Unit Owners (or any greater Unit Owner vote required in this Declaration or the Act) and until approved in writing by at least fifty-one percent (51%) of the Eligible Mortgagees (or any greater Eligible Mortgagee approval required by this Declaration). The foregoing approval requirements do not apply to amendments effected by the exercise of any Development Right. Material includes, but is not limited to, any provision affecting:

- (i) Assessments, assessment liens or subordination of assessment liens;
- (ii) Voting rights;
- (iii) Reserves for maintenance, repair and replacement of Common Elements;
- (iv) Responsibility for maintenance and repairs;
- (v) Reallocation of interests in the Common Elements or Limited Common Elements except that when Limited Common Elements are reallocated by agreement between Unit Owners, only those Unit Owners and only the Eligible Mortgagees holding Security Interests in such Units must approve such action;
- (vi) Rights to use Common Elements and Limited Common Elements;
- (vii) Definitions of boundaries of Units except that when boundaries of only adjoining Units are involved, or a Unit is being subdivided, then only those Unit Owners and the Eligible Mortgagees holding Security Interests in such Unit or Units must approve such action;
- (viii) Convertibility of Units into Common Elements or Common Elements into Units;
- (ix) Expansion or contraction of the Common Interest Community, or the addition, annexation or withdrawal of property to or from the Common Interest Community;
- (x) Insurance or fidelity bonds;
- (xi) Leasing of Units;
- (xii) Imposition of restrictions on a Unit Owner's right to sell or transfer his or her unit;
- (xiii) Restoration or repair of the project after a hazard damage or partial condemnation in a manner other than that specified in the Documents;
- (xiv) Termination of the Common Interest Community after occurrence of

substantial destruction or condemnation; and

(xv) The benefits of mortgage holders, insurers or guarantors.

(b) Actions. Notwithstanding any lower requirement permitted by this Declaration or the Act, the Association may not take any of the following actions other than rights reserved to the Declarant as Special Declarant Rights, without the approval of at least fifty-one percent (51%) of the Eligible Mortgagees:

(i) Convey or encumber the Common Elements or any portion thereof as to which an eighty percent (80%) Eligible Mortgagee approval is required. (The granting of easements for public utilities or for other public purposes consistent with the intended use of the Common Elements by the Common Interest Community will not be deemed a transfer within the meaning of this clause);

(ii) The establishment of self-management when professional management had been required previously by any Eligible Mortgagee;

(iii) The restoration or repair of the Property (after a hazard damage or partial condemnation) in a manner other than that specified in the Documents;

(iv) The termination of the Common Interest Community for reasons other than substantial destruction or condemnation, as to which a sixty-seven percent (67%) Eligible Mortgagee approval is required;

(v) The alteration of any partition or creation of any aperture between adjoining Units (when Unit boundaries are not otherwise being affected), in which case only the owners of Units affected and Eligible Mortgagees of those Units need approve the action;

(vi) The merger of this Common Interest Community with any other common interest community;

(vii) The granting of any easements, leases, licenses or concessions through or over the Common Elements (excluding, however, any utility easements serving or to serve the Common Interest Community and excluding any leases, licenses or concessions for no more than one (1) year);

(viii) The assignment of the future income of the Association, including its right to receive Common Expense assessments; and

(ix) Any action taken not to repair or replace the Property.

(c) The Association may not change the period for collection of regularly budgeted Common Expense assessments less frequently than annually without the consent of all Eligible Mortgagees.

(d) The failure of an Eligible Mortgagee to respond within thirty (30) days to any written request of the Association for approval of an addition or amendment to the Documents shall constitute an implied approval of the addition or amendment.

Section 16.5 Development Rights. No Development Rights may be exercised or voluntarily abandoned or terminated by the Declarant unless all persons holding Security Interests in the Development Rights consent to the exercise, abandonment, or termination.

Section 16.6 Inspection of Books. The Association shall permit any Eligible Mortgagee or Eligible Insurer to inspect the books and records of the Association during normal business hours.

Section 16.7 Financial Statements. The Association shall provide any Eligible Mortgagee or Eligible Insurer which submits a written request with a copy of an annual financial statement within ninety (90) days following the end of each fiscal year of the Association. Such financial statement shall be audited by an independent certified public accountant if:

(a) the Common Interest Community contains fifty (50) or more Units, in which case the cost of the audit shall be a Common Expense; or

(b) any Eligible Mortgagee or Eligible Insurer requests it, in which case the Eligible Mortgagee or Eligible Insurer shall bear the cost of the audit.

Section 16.8 Enforcement. The provisions of this Article are for the benefit of Eligible Mortgagees and Eligible Insurers and their successors, and may be enforced by any of them by any available means, at law, or in equity.

Section 16.9 Attendance at Meetings. Any representative of an Eligible Mortgagee or Eligible Insurer may attend and address any meeting which a Unit Owner may attend.

Section 16.10 Appointment of Trustee. In the event of damage or destruction under Article XXI or condemnation of all or a portion of the Common Interest Community, any Eligible Mortgagee may require that such proceeds be payable to a Trustee established pursuant to Section XXIII of this Declaration. Such Trustee may be required to be a corporate trustee licensed by the State of West Virginia. Proceeds will thereafter be distributed pursuant to Article XXI or pursuant to a condemnation award. Unless otherwise required, the members of the Executive Board acting by majority vote through the president may act as Trustee.

ARTICLE XVII

Assessment and Collection of Common Expenses

Section 17.1 Apportionment of Common Expenses. Except as provided in Section 17.2, all Common Expenses shall be assessed against all Units in accordance with their percentage interest in the Common Expenses as shown on Schedule A-8 to this Declaration.

Section 17.2 Common Expenses Attributable to Fewer than all Units.

(a) Any Common Expense associated with the maintenance, repair or replacement of a Limited Common Element shall be assessed against the Unit or Units to which the Limited Common Element is assigned. If any such Limited Common Element is assigned to more than one (I) Unit, the

Common Expenses attributable to the Limited Common Element shall be assessed equally among the Units to which it is assigned.

(b) Any Common Expense for services provided by the Association to an individual Unit at the request of the Unit Owner shall be assessed against the Unit which benefits from such service.

(c) Any insurance premium increase attributable to a particular Unit by virtue of activities in or construction of the Unit shall be assessed against that Unit.

(d) An assessment to pay a judgment against the Association may be made only against the Units in the Common Interest Community at the time the judgment was entered, in proportion to their Common Expense liabilities.

(e) If a Common Expense is caused by the misconduct of a Unit Owner, the Association may assess that expense exclusively against that Unit Owner's Unit.

(f) Fees, damage deposits as defined by the Architectural Review Committee guidelines, charges, late charges, fines, all costs associated with collection thereof, and interest charged against a Unit Owner pursuant to the Documents and the Act are enforceable as Common Expense assessments.

Section 17.3 RESERVED

Section 17.4 Lien.

(a) The Association has a lien on a Unit for an assessment levied against the Unit or fines imposed against its Unit Owner from the time the assessment or fine becomes due. Fees, charges, late charges, fines and interest charged pursuant to the Act and the Documents are enforceable as assessments under this Section. If an assessment is payable in installments, the full amount of the assessment is a lien from the time the first installment thereof becomes due.

(b) A lien under this Section is prior to all other liens and encumbrances on a Unit except: (1) a lien and encumbrances recorded before the recordation of the Declaration; (2) a first Security Interest on the Unit recorded before the date on which the assessment sought to be enforced became delinquent; and (3) liens for real estate taxes and other governmental assessments or charges against the Unit. A lien under this Section is also prior to all Security Interests described in Subdivision (2) of this Subsection to the extent of the Common Expense assessments based on the periodic budget adopted by the Association pursuant to Section 17.5 of this Article which would have become due in the absence of acceleration during the six (6) months immediately preceding institution of an action to enforce either the Association's lien or a Security Interest described in Subdivision (2) of this Subsection. This Subsection does not affect the priority of mechanics' or materialmen's liens, or the priority of a lien for other assessments made by the Association. A lien under this Section is not subject to the provision of WV Code §38-9-3.

(c) Recording of the Declaration constitutes record notice and perfection of the lien. Further recording of a claim of lien for assessment under this Section is not required.

(d) A lien for an unpaid assessment is extinguished unless proceedings to enforce

the lien are instituted within three years after the full amount of the assessment becomes due; provided, that if an Owner of a Unit subject to a lien under this Section files a petition for relief under the United States Bankruptcy Code, the period of time for instituting proceedings to enforce the Association's lien shall be tolled until thirty (30) days after the automatic stay of proceedings under Section 362 of the Bankruptcy Code is lifted.

(e) This Section does not prohibit an action to recover sums for which Subsection (a) of this Section creates a lien or prohibit the Association from taking a deed in lieu of foreclosure.

(f) A judgment or decree in any action brought under this Section shall include costs and reasonable attorney's fees for the prevailing party.

(g) A judgment or decree in an action brought under this Section is enforceable by execution under WV code §38-4-1, et seq.

(h) The Association's lien must be foreclosed as a mortgage or deed of trust on real estate is foreclosed, or as a lien is foreclosed under WV Code §38-5-1, et seq.

(i) In any action by the Association to collect assessments or to foreclose a lien for unpaid assessments, the court may appoint a receiver of the Unit Owner to collect all sums alleged to be due from that Unit Owner prior to or during the pendency of the action. The court may order the receiver to pay any sums held by the receiver to the Association during the pendency of the action to the extent of the Association's Common Expense assessments based on a periodic budget adopted by the Association pursuant to Section 17.5 of this Declaration.

(j) If a holder of a first or second Security Interest in a Unit forecloses that Security Interest, the purchaser at the foreclosure sale is not liable for any unpaid assessments against that Unit which became due before the sale, other than the assessments which are prior to that Security Interest under Subsection 17.4 (b) of this Declaration. Any unpaid assessments not satisfied from the proceeds of sale become Common Expenses collectible from all the Unit Owners, including the purchaser.

(k) In the case of foreclosure under WV Code §38-5-1, et seq. the Association shall give reasonable notice of its action to each lien holder of a Unit whose interest would be affected.

(l) Any payments received by the Association in the discharge of a Unit Owner's obligation may be applied to the oldest balance due.

Section 17.5 Budget Adoption and Ratification. Within thirty (30) days after adoption of a proposed budget for the Common Interest Community, the Executive Board shall provide a summary of the budget to each Unit Owner, and shall set a date for a meeting of the Unit Owners to consider ratification of the budget not less than fourteen (14) nor more than thirty (30) days after mailing of the summary. Unless at that meeting a majority of all Unit Owners reject the budget, the budget is ratified, whether or not a quorum is present. If the proposed budget is rejected, the periodic budget last ratified by the Unit Owners continues until the Unit Owners ratify a budget proposed by the Executive Board.

Section 17.6 Ratification of Non-budgeted Common Expense Assessments. If the Executive Board votes to levy a Common Expense assessment not included in the current budget, other than one enumerated in Section 17.2 of this Declaration, in an amount greater than fifteen (15%) percent

of the current annual operating budget, the Executive Board shall submit such Common Expense to the Unit Owners for ratification in the same manner as a budget under Section 17.5.

Section 17.7 Certificate of Payment of Common Expense Assessments. The Association, upon written request, shall furnish to a Unit Owner a statement in recordable form setting out the amount of unpaid assessments against the Unit. The statement must be furnished within (10) days after receipt of the request and is binding on the Association, the Executive Board and each Unit Owner.

Section 17.8 Acceleration of Common Expense Assessments. In the event of default for a period of ten (10) days by any Unit Owner in the payment of any Common Expense assessment levied against his or her Unit, the Executive Board shall have the right, after Notice and Hearing, to declare all unpaid assessments for the pertinent fiscal year to be immediately due and payable.

Section 17.9 Commencement of Common Expense Assessments. Common Expense assessments may begin on the first day of the month in which conveyance of the first Unit to a Unit Owner other than the Declarant occurs. Until such time as Declarant commences the assessment of Common Expense Assessments, Declarant shall be required to maintain Common Areas and pay all expenses associated in connection therewith.

Section 17.10 No Waiver of Liability for Common Expenses. No Unit Owner may exempt himself or herself from liability for payment of the Common Expenses by waiver of the use or enjoyment of the Common Elements or by abandonment of the Unit against which the assessments are made.

Section 17.11 Personal Liability of Unit Owners. The Unit Owner of a Unit at the time a Common Expense assessment or portion thereof is due and payable is personally liable for the assessment. Personal liability for the assessment shall not pass to a successor in title to the Unit unless he or she agrees to assume the obligation.

ARTICLE XVIII

Right to Assign Future Income

Section 18.1 The Association may assign its future income, including its right to receive Common Expense assessments, only by the affirmative vote of Unit Owners of Units to which at least fifty-one (51%) percent of the votes in the Association are allocated, at a meeting called for that purpose, and the Eligible Mortgagee consent described in Article XVI.

ARTICLE XIX

Persons and Units Subject to Documents

Section 19.1 Compliance with Documents. All Unit Owners, tenants, mortgagees and occupants of Units shall comply with the Documents. The acceptance of a deed or the exercise of any incident of ownership or the entering into of a lease or the entering into occupancy of a Unit constitutes agreement that the provisions of the Documents are accepted and ratified by such Unit Owner, tenant, mortgagee or occupant, and all such provisions recorded on the Land Records of Jefferson County, West Virginia, are covenants running with the land and shall bind any Persons having at any time any interest or estate in such Unit.

Section 19.2 Adoption of the Rules. The Executive Board may adopt Rules regarding the use and occupancy of Units affecting the Common Elements and Limited Common Elements and the activities of occupants, subject to Notice and Comment.

ARTICLE XX

Insurance

Section 20.1 Coverage. To the extent reasonably available, the Executive Board shall obtain and maintain insurance coverage as set forth in this Article. If such insurance is not reasonably available, and the Executive Board determines that any insurance described herein will not be maintained, the Executive Board shall cause notice of that fact to be hand-delivered or sent prepaid by United States mail to all Unit Owners and Eligible Mortgagees at their respective last known addresses.

Section 20.2 Property Insurance.

(a) Property insurance covering:

(i) All Common Elements and property reserved to become Common Elements, but excluding land, excavations, foundations, and other items normally excluded from property policies; and

(ii) All personal property owned by the Association.

(b) Amounts. The Common Elements and reserved Common Elements equal to one hundred percent (100%) of their actual cash value at the time the insurance is purchased and at each renewal date. Personal property owned by the Association for an amount equal to its actual cash value.

The Executive Board is authorized to obtain appraisals periodically for the purpose of establishing said replacement cost of the project facilities and the actual cash value of the personal property, and the cost of such appraisals shall be a Common Expense.

The maximum deductible for insurance policies shall be Ten Thousand Dollars (\$10,000.00) or one percent (1%) of the policy face amount. The policy deductible shall be a Common Expense of the Association.

(c) Risks Insured Against. The insurance shall afford protection against "all risks" of direct physical loss commonly insured against.

(d) Other provisions. Insurance policies required by this Section shall provide that:

(i) Each Unit Owner is an insured person under the policy with respect to liability arising out of his interest in the Common Elements or membership in the Association.

(ii) The insurer waives the right to subrogation under the policy against a Unit Owner or member of the household of a Unit Owner;

(iii) An act or omission by a Unit Owner, unless acting within the scope of the Unit Owner's authority on behalf of the Association, will not void the policy or be a condition to recovery under the policy.

(iv) If, at the time of a loss under the policy, there is other insurance in the name of a Unit Owner covering the same risk covered by the policy, the policy of the Association provides primary insurance.

(v) Loss must be adjusted with the Association.

(vi) Insurance proceeds shall be paid to any insurance trustee designated in the policy for that purpose, and in the absence of such designation to the Association, in either case to be held in trust for each Unit Owner and such Unit Owner's mortgagee.

(vii) The insurer may not cancel or refuse to renew the policy until thirty (30) days after notice of the proposed cancellation or non-renewal has been mailed to the Association, each Unit Owner and each holder of a Security Interest to whom a certificate or memorandum of insurance has been issued, at their respective last known addresses.

(viii) The name of the insured shall be substantially as follows: "North Hills Subdivision at Cress Creek Unit Owners Association for the use and benefit of the individual Owners."

Section 20.3 Liability Insurance. Liability insurance, including medical payments insurance, in an amount determined by the Executive Board but in no event less than One Million Dollars (\$1,000,000.00), covering all occurrences commonly insured against for death, bodily injury and property damage arising out of or in connection with the use, ownership or maintenance of the Common Elements, and the activities of the Association.

(a) Other Provisions. Insurance policies carried pursuant to this Section shall provide that:

(i) Each Unit Owner is an insured person under the policy with respect to liability arising out of the Unit Owner's interest in the Common Elements or membership in the Association.

(ii) The insurer waives the right to subrogation under the policy against a Unit Owner or member of the household of a Unit Owner;

(iii) An act or omission by a Unit Owner, unless acting within the scope of the Unit Owner's authority on behalf of the Association, will not void the policy or be a condition to recovery under the policy.

(iv) If, at the time of a loss under the policy, there is other insurance in the name of a Unit Owner covering the same risk covered by the policy, the policy of the Association provides primary insurance.

(v) The insurer issuing the policy may not cancel or refuse to renew it until

thirty (30) days after notice of the proposed cancellation or non-renewal has been mailed to the Association, each Unit Owner and each holder of a Security Interest to whom a certificate or memorandum of insurance has been issued at their last known addresses.

Section 20.4 Unit Owner Policies. An insurance policy issued to the Association does not prevent a Unit Owner from obtaining insurance for his or her own benefit.

Section 20.5 Workers' Compensation Insurance. The Executive Board shall obtain and maintain Worker's Compensation Insurance to meet the requirements of the laws of the State of West Virginia.

Section 20.6 Directors' and Officers' Liability Insurance. The Executive Board shall obtain and maintain Directors' and Officers' liability insurance, if available, covering all of the directors and officers of the Association in such limits as the Executive Board may, from time to time, determine.

Section 20.7 Other Insurance. The Association may carry other insurance which the Executive Board considers appropriate to protect the Association or the Unit Owners.

Section 20.8 Premiums. Insurance premiums shall be a Common Expense.

ARTICLE XXI

Damage To Or Destruction of Property

Section 21.1 Duty to Restore.
